WASHINGTON, D. C.

HCO POLICY LETTER OF MARCH 1, 1959

FORBIDDEN HCO ACTIVITIES

No HCO or HCO Sec., full or part time may do the administrative work of a Central Org. or its personnel.

This means also that no HCO Sec. may do letters, correspondence, filing, reception, mailing, phoning for an Assoc. Sec., Org. Sec. or Dept. Head.

This is so forbidden that entrance upon these activities or permitting a Central Org. Head or Officer to use HCO for secretarial actions can cause the immediate dismissal of an HCO Sec. or Personnel.

When such use of HCO has been allowed, chaos has resulted and the HCO office has become nulified and my lines out. Therefore, it is looked upon in a very serious light.
