HCO POLICY LETTER OF APRIL 16, 1959
(Reissued, From London)

BOOKS, COST OF

Inform all Org. Secs.

The principle comm particles of Scientology Organizations are books.

Obviously, books cost money.

When books are sold their money must be safeguarded so that replacement books can be bought.

Book monies cannot be part of Prop. Income. A book is bought by a Central Organization at 50% of the list price, sold to members at 80%. If this 80% is halved for prop. pay and added to salary sum, it costs the Org. 10% of list: just to handle the book! This means a 10% loss every time a book is sold! Therefore books cannot become part of the salary or expense sum. They must remain as they are, the income from them kept ready to buy new stocks when old stocks are exhausted.

The price of all books should be computed on the basis that when 20% is deducted from the price for members, a round sum remains which is not less than 4 times the exact printing cost. No book may be listed at less than 5 times the cost of one volume. Only then can the sale of books be remunerative enough to buy new stocks.

As policy, no book may be printed without my permission. Most books will be printed in London or the U.S.

These books will be sold to Central Orgs. by HCO Ltd. for a distributor figure of 50% of the list price.

The books will be shipped as soon as ready.

The continental magazine should forecast only any book (or tape) until it is actually in hand, then announce it as arrived and on sale. No book should be neglected. Send copies gratis to local papers for review always each time a new book appears, or whenever an old book has been neglected in this way. Announce in the magazine. Advertise on the Bulletin Board. Push books at Congresses.

From 10 to 25 people read every book sold, according to advertising people. This, then, is high level dissemination.

Send out the continental magazine every month or two, one issue to the whole list you have, not just members. And advertise Books, Books, Books.

About once a year send a full list of books on hand on a sheet order form to everyone. This says "Which of these books don't you have?" People order them by the ton from the form by marking X and sending a check.

HCO POLICY LETTER OF APRIL 16, 1959
BOOKS, COST OF

Book:business is cash business from a Central Org. to the field. Credit on books can be a bad headache in several ways.

Send out your magazine to the whole mailing list frequently. Heavily advertise books first, services second. And set the money you get aside.

I am about to do several new books. A new book can sell two to three thousand copies in your area in a few weeks if you handle it right. Books are the sparks you need to light the fire. Let's handle them so they make us (as above) not break us.
