HCO POLICY LETTER OF JUNE 21, 1959
(Reissued, from London)

SIGNATURES ON BULLETINS, POLICY LTRS AND SEC E.D.s

Only when I have personally written a bulletin, a policy letter or a Sec. E.D. should it be signed "L. Ron Hubbard" or "L. Ron Hubbard, Executive Director."

When I have knowledge of someone okayed a bulletin, policy letter or Sec. E.D. but have not actually written it, it should be signed "Jane Doe (the name of the actual writer) for L. Ron Hubbard" or "Jane Doe, for L. Ron Hubbard, Executive Director."

When I have not seen or okayed a policy letter or bulletin or a Sec. E.D. but it is published by the authority of a held post such as HCO Sec., it should be signed "Jane Doe (actual name of person issuing) HCO Sec. (or other title)".

The field or public must not be led to believe that I have written or issued things I have not. Further, other people have authority, too.
