HCO POLICY LETTER OF MARCH 29, 1960

HGC and Academy Prices for Minors  
(Cancels and replaces HCO Policy Letter of October 27, 1959)

The following two categories of minors are instituted for Academies:

1. A minor below the age of eleven (11) is not eligible for training at the Academy except by special permission of LRH.
2. A minor, to qualify for training at the Academy, must have reached his/her eleventh (11) birthday and not have reached his/her eighteenth (18) birthday.

The minor's training fee for the HPA and BScn (HCA and HCS) Courses shall be two-thirds of the adult fee, whatever fee is in force.

The reason for disallowing minors below the age of 11 to attend the Academy is that such beings are, usually, still in need of special attention that would normally tend to create a situation of specialized care and would consume too much of the instructor's time.

HGC Prices for Minors:

HGCs may accept a child of any age for processing (except psychos as per present policy).

Below the age of 14 years, a child will be charged full price at HGCs. They are pretty difficult to Audit, so should be charged as much as grow-up, unless there has been confirmation on this from the Executive Director to do otherwise.

Special Category

Between the ages of 14 and 18, minors will be charged two-thirds of the HGC processing price. (After the age of 14 Children are easier to handle, and this price reduction is an encouragement to teen-agers to get processing).

In the case of minors directly related to Certified Auditors (their immediate family), the current discounts apply as before.
