SAME TITLE

OUTFLOW

Quote from HCO Bulletin of April 9, 1960 which states:

"The quantity of outflow of personal letters on a national basis determines the number of people who come in for training and processing."

"Staff Auditors should take an hour a day in C.F. and hand write people out of files."

The following questionnaire is for periodical use in all HGCs as a check-up as to how Auditors use their time. So check up and get out a volume of letters.
