HCO POLICY LETTER OF JUNE 20, 1960

RUSH MAGAZINE NOTE

Please publish as soon as possible HCO Bulletin of June 23, 1960, The Special Zone Plan (which is being sent to you this week) in Ability, Certainty, Communication, Understanding, Reality and Affinity and make certain the issue arrives in the hands of all Dianeticists and Scientologists new or old.

This article contains the Special Zone Plan that may change the whole future of dissemination.

Do not publish the HCO Bulletin of June 10, 1960, What We Expect of a Scientologist, that says we are not practitioners, as HCO Bulletin of June 23, 1960 is an improvement in it.

Hold any issue you have planned and do instead HCO Bulletin June 23, 1960. This is urgent.
