ECO POLICY LETTER OF MARCH 13, 1961
ISSUE II

DEPARTMENT OF OFFICIAL AFFAIRS
(Cancels earlier Directives concerning
Depts. of Govt. Relations and Special Programmes)

Anyone now holding post as Dept. of Government Relations or as Director of Special Programmes should be re-titled "Department of Official Affairs".

The field responded only faintly to Special Programmes.

The activities connected with governments have increased.

Where field activities warrant, a Central Organization may have a Department of Official Affairs to combine all former duties and activities performed by the Department of Govt. Relations and Special Programmes.

Where such departments do not exist, all such activities will be handled by the Assn. Sec. or the ECO Continental Secretary. But where much time is being spent on government liaison, co-operation with societies and the filing of legal papers and matters, a Department of Official Affairs must be created as per ECO Policy Letter of March 13, 1961, Issue III, as these matters are time consuming and deter the Assn. Sec. from performing his intra-Organizational duties.
