## HUBBARD COMMUNICATIONS OFFICE Saint Hill Manor, East Grinstead, Sussex HCO POLICY LETTER OF MAY 3, 1962

## PRACTICAL AUDITING SKILLS

## How to Use this Policy Letter

Issue the following form to all Auditors, Students, etc., for their own insight, and issue it routinely.

## Practical Auditing Skills A Self Appreciation

These are the total doingness skills of "the Perfect Auditor".

any auditor would do well to check himself or herself out on his or her doingness of an auditing session as an auditor. Theory is easier to confront than doingness. Therefore, mark yourself honestly on these points and then practice doing what you need until you are satisfied. Then do another sheet and practice those. BE HONEST WITH YOURSELF. Auditing is a precise doingness of the following items:
