URGENT
OBJECTIVE ONE

I HAVE KICKED THE DOOR OPEN.

FOR THE FIRST TIME SINCE 1950 ALL WRAPS ARE OFF

THIS IS IT.

OUR FIRST OBJECTIVE IS:

GET ALL PERSONS EVER ENROLLED IN AN ACADEMY
AUDITED ON AND TRAINED TO USE ROUTINE 2-12,
THE UNDERCUT FOR ALL CASES.

This marks the beginning of a heavy rapid advance toward our objective of a cleared Earth and is Objective One in that advance.

Use all means at your disposal to effect the accomplishment of this objective.

Routine 2-12 is a safe, powerful primary clearing action and will produce rapid case gains.

The objective is to be attained by the following actions:

1. Get all staff HPAs/HCA's and all auditors checked out on a Class IIb check sheet as per HCO Bulletin of November 23, AD.12.
2. Get all staff HPAs/HCA's rapidly using R2-12 in staff clearing.
3. Get all Academy students checked out on Class IIb perfunctorily at once and run on R2-12.
4. Get all HGC pcs run on R2-12, particularly HPAs/HCA's or former Academy enrollees.
5. Contact all persons ever enrolled in an Academy, whether graduated or not, and get them in to be run on and to learn Routine 2-12.
6. Contact all Scientologist who are being run on goals or who have been cleared and get them run on Routine 2-12.

The amounts to be charged for auditing and rereading are entirely up to the Association/Organization Secretary, with only the injunction that the organization remain solvent or become so.

Do not underplay the fact that Routine 2-12 is actually a vital clearing step. And do not hold it back because it is a precise skill.

THE HCO SEC AND THE ASSOCIATION SEC SHOULD REPORT TO ME REGULARLY ON ALL SUCCESSES AND FORWARD PROGRESS WITH OBJECTIVE ONE..

OBJECTIVE TWO

Objective two consists of forming District Offices wherever there are center or field offices. This objective is in a pilot stage but is progressing. It does not conflict with Objective One.
