HCO POLICY LETTER OF MARCH 6, 1963

<u>R3M HCO WW FORM G3, REVISED FAST GOALS CHECK</u>
(Keep completed form in pcs folder)

This is a rapid check out of a goal for use by Auditors and particularly Instructors and Auditing Supervisors. By an auditor it is done in Model Session. By an Instructor or Supervisor it is done as a simple check out.

ALWAYS COMPLETE WHOLE CHECK

PC's Name _____   Date _____

Org. Location _____

Goal _____

A: Read goal rapidly to pc three times _____ _____ _____
    Note reaction and inform pc if in or out.

B: Repetitive Ruds. (Early reads are acceptable as instant reads on ruds, not on goal which must be instant only).

    On (say the goal)_____

       1) has anything been Suppressed_____

       2) is there anything you have been careful of_____

       3) is there anything you have Failed to Reveal_____

    Only when each is clean, go to next and when all clean go to C.
C: Read goal rapidly to pc three times _____ _____ _____, Note
    reaction and tell pc if in or out.

D: Do Fast Ruds: On (say the goal) _____has anything been
    Suppressed, is there anything you have been careful of or Failed to Reveal?
    (When all nul in one sweep, without pausing read the goal three times).
    (Goal) _____ (Goal)_____ (Goal)_____

    Section D must be read all in one sweep to be valid, with no read on any rud and a Rocket Read at least two out of the three times exactly at end of reading the goal. Don't add in the goal until all six ruds are nul in one sweep. Then without pause, read the goal 3 times in one breath.

    If none of the ruds read and goal did Rocket Read at least two out of the three, it is a listable goal, providing the meter reading was flawless.
