HCO POLICY LETTER OF APRIL 13, AD13

POLICY OF HGCs

HCO Area Sec
Org Sec

HGC Admin
D of P
Tech Dir
Registrar
Public BB

Due to the workability of current technology, the following policy is laid down for all Hubbard Guidance Centres throughout the world.

HGCs MAY ONLY CLEAR

HGCs WILL ENDEAVOUR TO CLEAR HGC PRECLEARs. NO OTHER DIRECTION OF PROCESSING WILL BE UNDERTAKEN. ONLY PROCESSES DIRECTLY CONTRIBUTING TO CLEARING THE HGC PC WILL BE USED IN AN HGC.

This should be well disseminated as a policy and should be posted in the registrar's office and on the public bulletin board.

The processes envisioned are:

- (1) Preparatory processes to get the pc into session;
- (2) Prepchecking to obtain the pc's goal;
- (3) Obtaining a pc's goal;
- (4) Clearing a GPM;
- (5) Completing a GPM;
- (6) Obtaining new goals;
- (7) Clearing the new GPMs;
- (8) Completing the GPMs.

Secure and workable technology now exists to accomplish each one of the above.

HGC Auditors must become expert at this technology and be well supervised in its execution.

Any and all earlier Auditing any HGC pc has had is now contributive to clearing, giving many Items on which goals can be found and smoothing the way.

No registrar may promise or sell any particular technique. This is entirely at the discretion of the HGC.

The prospective preclear must be warned as follows:

"Clearing is not easy to do and it is not easy on the preclear. We must be sure that you realize this before we undertake your clearing."

Any and all requests for "healing treatment" must be refused. It should be made very plain that HGCs only clear.

Clearing has been described in various literatures and the prospective pre-

clear should be referred to these or told what clearing is.

The earliest Earth hopes for clearing were uttered about ten thousand years ago. For the first time we are able to accomplish this for all cases on whom a goal may be found.

All clearing is conditional to finding the pc's basic purpose. The difficulties of this should not be minimized.
