HCO POLICY LETTER OF FEBRUARY 13, 1964

CLASSIFICATION

There has been a very wide response to my request for your opinions and suggestions on the HCO Policy Letter of November 26, 1963, Certificate and Classification Changes.

I am glad to say that the basic principle of classification of auditors and preclears has been almost universally accepted, and mostly with enthusiasm. The scheme will therefore go into operation as outlined.

Some objections have been made on the grounds that certain auditors, or certain preclears, might be prevented from progressing further in Scientology. Such individual problems can be ironed out. The purpose of the policy is to enable everyone to progress through the levels in an orderly fashion and to ensure that many more individuals have the opportunity to reach O.T.

I hope that most of your immediate objections will be removed by HCO Policy Letter of February 5, 1964, Founding Scientist Certificate. This implements the "Old Timers Clause" which appeared in the original Policy Letter. By sending in your application you will have the right to processing (or auditing if you are qualified) up to Class IV.

Thank you for your help in the past. You can help in the future, too.
