HCO (DIVISION I) JUSTICE

OFFENSES AND PENALTIES

It is now a crime for anyone to falsify the name of an FSM. He who does the work and does the selecting gets the 10% reward. This is in keeping with Scientology (R) policy on rewarding upstats.

It is also a crime to illegally transfer an FSM Commission as FSM Commissions are a reward for production and where the reward is given with no production this is theft.

Use of a stooge FSM (one who is used for someone else's profit) is also a crime for the reasons given above.

This policy is being written to ensure that those FSMs who are actively contributing get rewarded for their efforts with 10% for the expenses incurred in obtaining donations.
