SCIENTOLOGY MAKES A SAFE ENVIRONMENT

We're working to provide a safe environment for Scientology and Scientologists in Orgs everywhere.

The dangerous environment of the wog world, of Injustice, sudden dismissals, war, atomic bombs, will only persist and trouble us if we fail to spread our safe environment across the world.

It starts with our own orgs. They must be safe environments.

Only good tech and Justice can make the Org environment safe. Like an auditing room, we must be able to work undisturbed by the madness at our door.

We can make every org a safe island then by expanding and joining those orgs, bring peace and a safe environment to all the world.

It not only can be done. It is happening this moment. Push it along Support policy, good Tech and Justice.
