DIANETIC AUDITORS COURSE

The Org Exec Sec WW has the authority to arrange and order and issue check sheets for Dianetic Auditing Training

For any arranging or establishment of a Dianetic Course as per HCOB 3 April 1966 "Student Auditing Dianetic Auditing" the following must be observed:

1. The course must be not less than one month.
2. It must not be extended endlessly for the student.
3. It is not the same as grade courses in that it does not contain grade material or even the gradation chart but contains Dianetic data.
4. It must remain precisely within the limits set by HCOB 3 April 1966 so far as its auditing is concerned.
5. It may not be sold as a course for less than \$500 in the US or £125 sterling in the UK or other continental areas.
6. Scholarship up to 50% may be issued.
7. Only cash may be accepted and no credit allowed.
8. Healing laws must be given heed by not selling such auditing or promising to heal by reason of Dianetic auditing.
9. The course may be advertised as, paraphrase, the way up to a capable human being is the realm of Dianetics - Scientology reaches from a capable human being upward. Success in Scientology is assured by a thorough grounding in Man's most advanced school of psychology (or the mind) - Dianetics. Dianetics was the ultimate development of the mind of human beings. Scientology is the road from there to total Freedom. This is a study and practice course which is a prelude to becoming a Scientology auditor and brings one a complete understanding of the mind so that one is then prepared to understand the spirit in Scientology, Etc.
10. Academies and especially Saint Hill may teach and practice HCOB 3 April 1966 as part of Level 0 providing it is studied along with the other materials and forms the practical of Level 0.

At this writing there is no pattern of how to include this material and one must be developed by experience. But it is pointed out that Academies have never failed to do well so long as a one-piece Dianetic type course was available.

It could be that experience, cautiously won, will show that the public will buy the Dianetic course in droves.

It could be we should drop the Dianetic word from Dianetic techniques as refined in HCOB 3 April 1966, as they are really pretty awfully advanced from where we were in 1950 and call it the Basic Auditor's Course or the Basic Academy of Scientology Course and call the technique Basic Scientology. If so, texts will have to be edited and Scientology substituted everywhere for Dianetics.

These problems are left to the Org Exec Sec WW as they will gradually evolve into a new success.
