Remimeo HCO POLICY LETTER OF 6 OCTOBER 1967R
REVISED & REISSUED 25 SEPTEMBER 1977

(Revised to delete the Enemy & Treason
Formulas which were revised in later
HCO PLs, and reissued as being the
original source material on these
Formulae.)

CONDITIONS OF LIABILITY AND DOUBT

Below Non-Existence there is the Condition of Liability.
The being has ceased to be simply non-existent as a team
member and has taken on the colour of an enemy.

It is assigned where careless or malicious and knowing
damage is caused to projects, orgs or activities. It is
adjudicated that it is malicious and knowing because orders
have been published against it or because it is contrary to
the intentions and actions of the remainder of the team or
the purpose of the project or org.

It is a liability to have such a person unwatched as the
person may do or continue to do things to stop or impede the
forward progress of the project or org and such a person can-
not be trusted. No discipline or the assignment of conditions
above it has been of any avail. The person has just kept on
messing it up.

The condition is usually assigned when several Dangers
and Non-Existences have been assigned or when a long unchanged
pattern of conduct has been detected.

When all others are looking for the reason mail is
getting lost, such a being would keep on losing the mail
covertly.

The condition is assigned for the benefit of others so
they won't get tripped up trusting the person in any way.

The formula of Liability is:

- (1) Decide who are one's friends.
- (2) Deliver an effective blow to the enemies of the group
one has been pretending to be part of despite personal
danger.
- (3) Make up the damage one has done by personal contribution
far beyond the ordinary demands of a group member.
- (4) Apply for re-entry to the group by asking the permission
of each member of it to rejoin and rejoining only by
majority permission, and if refused, repeating (2) and
(3) and (4) until one is allowed to be a group member
again.

CONDITION OF DOUBT

When one cannot make up one's mind as to an individual, a group, org or project a Condition of Doubt exists.

The formula is:

- (1) Inform oneself honestly of the actual intentions and activities of that group, project or org brushing aside all bias and rumour.
- (2) Examine the statistics of the individual, group, project or org.
- (3) Decide on the basis of "the greatest good for the greatest number of dynamics" whether or not it should be attacked, harmed or suppressed or helped.
- (4) Evaluate oneself or one's own group, project or org as to intentions and objectives.
- (5) Evaluate one's own or one's group, project or org's statistics.
- (6) Join or remain in or befriend the one which progresses toward the greatest good for the greatest number of dynamics and announce the fact publicly to both sides.
- (7) Do everything possible to improve the actions and statistics of the person, group, project or org one has remained in or joined.
- (8) Suffer on up through the conditions in the new group if one has changed sides, or the conditions of the group one has remained in if wavering from it has lowered one's status.
