OT SECTION AWARDS

OT Section awards above three are declared as PROVISIONAL up to Section VII.

CLEAR is not Provisional but a direct award.

Thus OT I, OT II, OT III, OT IV, OT V and OT VI are PROVISIONAL and are award "OT II Provisional" etc.

At OT VII, the fast flow system is no longer applied. An OT VII student's sessions are inspected each session by the Tech Sec Advanced Org. All auditing outnesses are corrected. All omissions are caught up.

OT VII requires very good auditing in that it applies very standard tech principles but applies them to case phenomena never before suspected.

The student may not attest on Sections VII and VIII but is monitored very closely by the Tech Sec at the Advanced Org and then examined for completion.

OT Students must be advised of this after Clear.
