(Issued From Flag Order 805)

ADMIN KNOW-HOW# 20  
ADMINISTRATION

When Admin is OUT, Tech is OUT, and Ethics has long  
ceased to exist.

You can never send Administrative orders into an out  
Admin area; you can only get Ethics in. To do other than  
to get Ethics in is to only invite further non-compliance  
and Dev-T.

In reality, ANY Administration is a symptom of out-  
Ethics. Any order is really a criticism. If a post was  
really being worn, orders would be unnecessary.

If someone started giving me orders, then I would won-  
der about my post. DO YOUR JOB WITH A PLUS AND A PREDICT.  
Wear your hat so well, you never need an order.

Remember: NEVER ISSUE AN ORDER TO GET AN ORDER YOU  
HAVE ALREADY ISSUED COMPLIED WITH. Ethics has gone out.  
When Ethics has to be put in, responsibility is out.
