AUDITORS

Auditors have since the first session of Scientology been the only individuals on this planet in this universe capable of freeing Man.

An auditor is one who has been trained in the technology of Scientology. An auditor applies standard technology to preclears.

At times some will forget or choose to ignore the fact that the auditor is not just another fellow or a guy who works in Scientology. An auditor is a highly trained specialist, no matter what level of auditor. He or she is the only one who can give Man the truth, that Man knows.

An auditor is to be respected. An auditor is very important in clearing this planet, and this universe. It's a big job and the auditor will do it. All auditors are appreciated.

Special designations and insignia are to be developed to distinguish the auditor from others and signalize his class.
