HCO POLICY LETTER OF 12 AUGUST 1968

ISSUE II

SAME TITLE

Remimeo

(Reissued from Flag Order 1182)

REASONS WHY DIV. 6s DON'T FUNCTION

THE MOST BASIC IS NOT HAVING STAFF IN DIV. 6.

1. Appointing Division Heads that have not proven themselves that don't know their hats, and don't do the purpose of Div. 6.
2. Having staff members who are continual ethics trouble.
3. Div. 6 Head using money as a justification for not getting the job done.
4. Staff members not knowing their own functions much less the functions of other staff members in same Dept.
5. Div. 6 in endless cycle of creating something new but not actually doing anything and not completing outstanding cycles and those that are doing constructive actions are being stifled by SPs.
6. Personnel dressed raggedly, not clean, and shaven.
7. Creating mystery around their work.
8. Having Tigers on staff.
9. Tolerating out ethics of personnel by Division Head.
10. Chaplain tolerating people falling off the org board.
11. Not defending own hats.
12. Not wearing own hats.
13. Individuating.
14. Transferring personnel from Div. 6 and within Div. 6 too fast.
15. Senior tolerating staff which was PTS, and not routing to Qual for correction.
16. Spending money for necessary supplies and leaving supplies covertly or overtly behind and not delivering badly needed supplies for Div. 6.
17. Not having an up to date mailing list.
18. Not having a large mailing list.
19. Losing mailing lists.
20. Not mailing to a mailing list and maintaining an inactive list.
21. Mailing to a mailing list but only sporadically.
22. Address plates not filed properly (I.e. in paper boxes).
23. Losing address plates.
24. Executives having to have continually to bypass immediate seniors in order to get compliance.

25. Introverting into own area rather than staying on purpose line: "Capturing and controlling the public".
26. People put on post and "supposedly" getting grooved in, but not learning about post.
27. Dev-T.
28. False reports.
29. Not having pertinent HCO Policy Letters concerning Div. 6.
30. Not complying immediately with programs in existence that have been previously put out by L. Ron Hubbard.
31. Viciously endangering Scientology by goofing up and enturbulating legal lines.
32. Working in other Divisions while pretending to be on Division 6 staff.

The above listed outnesses are ways that Div. 6 keeps off the purpose line that L. Ron Hubbard explicitly laid out: "To capture and control the public."
