CHAPLAIN

The Chaplain's primary duties are keeping people on the Org Board and the public in Scientology.

The Chaplain's main area of operation in preventing people from falling off the Org Board, is, Auditors.

He/she is concerned with the auditors' morale, and endeavors to see that their troubles and problems get seen to. The Chaplain also knows who is their next of kin and family.

The reason for this area being chosen as Chaplain's priority is that Auditors make others better, the able more able in using Scientology Tech and must not, above all be hindered by low morale, problems and troubles. An auditors' high morale equals a better delivery of standard Tech to his Pc's.

The Chaplain does not and must not advise auditors on Tech. His role is to hearten and defend them and get people to let them audit and be audited and make their own grades. That attended to he has his other hat and service duties.
