Remimeo HCO POLICY LETTER OF 28 OCTOBER 1968
(Cancels HCO PL 20 March 1964)

TECHNICAL REPORTS

The Class VIII's have been assigned to Orgs to ensure that Standard Tech goes in and stays in. They are responsible for ensuring that all cases are properly supervised.

Orgs with Class VIII auditors do not send copies of auditing reports to LRH or WW. Orgs without Class VIII's continue to send them to LRH via Tech Sec WW.

Orgs with Class VIII's should send in a weekly report regarding Tech results, and the Org LRH Comm should randomly select reports of one preclear being audited in Tech and in Qual to send to Tech Sec WW for inspection.

All Academy Student reports shall be addressed by the student to LRH personally and sent via Tech Sec WW. Such reports shall be on a weekly basis.
