Remimeo HCO POLICY LETTER OF 15 MARCH 1969
Ethics Officers
HCO

THIRD PARTY
HOW TO FIND ONE

The way NOT to find a 3rd party is to compile a questionnaire that asks one and all in various ways, "Have you been a VICTIM?" "Do you feel ARC Broken about Ethics?"

Any officer, B of I or Comm Ev that uses this approach (1) Does not find any 3rd Party and (2) Caves in people.

A 3rd Party is ONE WHO BY FALSE REPORTS CREATES TROUBLE BETWEEN TWO PEOPLE, A PERSON AND A GROUP OR A GROUP AND ANOTHER GROUP.

To find a 3rd Party one has to ask

1. (a) Have you been told you were bad?
(b) What was said?
(c) Who said it?
2. (a) Have you been told someone was bad?
(b) What was said?
(c) Who said it?
3. (a) Have you been told someone was doing wrong?
(b) What was said?
(c) Who said it?
4. (a) Have you been told a group was bad?
(b) What was said?
(c) Who said it?

This is quite capable of running a couple light years of track as a questionnaire should have a limiter such as "In this organization _____".

This is also a considerable process! And it may have a lot of answers. So a lot of space should be left for each question.

By then combining names given you have one name appearing far more often than the rest. This is done by counting names. You then investigate this person.

Usual action, if they are not an enemy, is to issue a Non-Enturbation order and say why.

The VICTIM type questionnaire will only give you your most valuable executives! Who have been trying to get people to do their jobs!

We have had experience with this so IT IS A COMM EV OFFENSE to use a VICTIM type approach and say one is "looking for a third party".

This Pol Ltr is vital to HCOES, HCO Secs, E/Os and MISSIONAIRES.
