

HUBBARD COMMUNICATIONS OFFICE
Saint Hill Manor, East Grinstead, Sussex

Remimeo HCO POLICY LETTER OF 6 APRIL 1969
ISSUE II

DIANETIC REGISTRATION

A sign should be prominently displayed in all orgs servicing the general public as follows:

"If you have come here to be cured of a physical illness SEE THE REGISTRAR and so inform her so that she can arrange for a competent medical examination and treatment and for Dianetic auditing while under the supervision of a doctor. When you are physically well you can begin Scientology training and processing on your road to total freedom."

And another sign,

"This organization will not recommend or condone political mental treatment such as electric shocks or brain operations or convulsive drugs and condemns utterly this Fascist approach to 'mental health' by extermination of the insane. Because we will not agree to brutality and murder under the guise of mental healing or to the easy and lawless seizure of persons in the name of 'mental health' for political reasons, we are fought ceaselessly by those who seek domination of this country through 'mental treatment'. You are safe so long as we live."

The registrar is to sign the person up as he or she would any preclear.

The org must make a liaison with a medical clinic which has diagnostic equipment and obtain a flat rate charge.

The org should make their position very clear to the clinic - that they are trying to cooperate with the medical profession and that Scientology is a religion. However, after or in the absence of medical treatment if none is needed, the persons sent will be given Dianetic auditing under this medical supervision. A clean cut difference should be made between Dianetics as an assist done under a physician's care or after his treatment and Scientology as a religious practice.

If contempt or hostility is met, write a letter of complaint to the medical association and try another doctor or clinic. In such a letter of complaint make it very plain that you are not engaged in physical healing, that you have always tried to cooperate with medicine and that your only quarrel is with psychiatric casualties and their perversion of the medical profession.

If the clinic shows clear cut evidence of the need of an operation the D of Processing should give the preclear the verdict. If the preclear will not have it, arrange a meeting between the preclear and the doctor and discuss it.

It is possible to engage in Dianetic processing even when a medical verdict is for an operation, but if the preclear will not have it, then undertake Dianetic processing only under the doctor's supervision and with his consent, and insist upon the preclear being reexamined during processing.

The cost of the examination and any operation is in addition to processing fees and any such charges are paid directly to the clinic by the preclear, the org not taking responsibility for the costs of these.

After any medical treatment, the entire treatment is run as an engram or chain as the first action. Lingering symptoms are also run down to their basics as per Dianetic Auditing Assists

given in the Dianetic Course.

Policy is not to engage on auditing sick pcs without medical advice or treatment as required.

Insane pcs are handled in this same fashion as they are mainly physically ill, need rest and no harassment. Insane pcs are a lot of trouble unless one has an institution to hand but institutions cannot be trusted. Until an org has some means or connection by which the insane preclear will not be brutalized, shocked or operated on with brain "operations", it is better to refuse them.

By insane pc is meant one who is subject to highly irrational and destructive behavior. If not, they are regarded as physically ill.

The senile and mentally retarded are also handled as per physically ill pcs as above.

Waivers in all cases are required.

A new clause, "Will not hold the organization or its principles responsible for medical costs or errors" must be included in signing persons up for Dianetics.

Complete files of all such should be kept in Division 6 to show in case of need

- (a) that the org does not engage in physical healing and
- (b) success stories with full records X-rays etc. for Dianetics.

Where this policy letter is fully in force, earlier policies on healing and the insane are cancelled.

This change of policy is due to (1) our wish to cease to individuate from the other social groups of the society and (2) our refusal to leave the field of mental healing in the hands of public enemies.

This is also part of our campaign to Revitalize Western Society. "A well society is a sane society."
