DIANETIC COURSE EXAMINATIONS

There are two examinations on the Dianetics Course.

1. PRE - AUDITING EXAMINATION.

This is done after the student has completed the theory and practical drill sections of the course. The examination is standard and has been written up and issued to all Qualifications Divisions in Orgs. It must be passed 100% before the student is permitted to audit.

As Dianetics is now a very standard routine it will be found that the student either understands it or he doesn't. There are no shades of grey.

If the student flunks the examination he goes to Cramming to review the materials of the course.

2. FINAL EXAMINATION.

This is done after the student has completed his auditing requirements. When the 25 hours of auditing are complete (or more if required to obtain the required result), the student presents all his auditing folders to the Examiner with an attestation that he was the auditor, and that all the sessions he audited have been recorded in the folders presented to the Examiner.

The Examiner inspects the folders to see if the auditor has demonstrated the practice of Standard Dianetics and to see if the PC has attained the expected gains. (If the sessions look standard but the PC has not attained the expected gains the examiner knows the session reports are incomplete or false.)

If the Examiner is satisfied the student is auditing 100% Standard Dianetics the student is passed and graduated.

If the auditing is non-standard and the results have not been obtained the student must continue auditing until the Examiner is satisfied.

The student auditor's sessions are case supervised. If the PC is in trouble the auditor ends the session and sends the PC to the examiner. The case supervisor orders the student to cramming if he has goofed.

The PC may be ordered to a Scientology Review such as a green Form.

Review and cramming are at normal Org rates. There is no charge for case supervision.
