INTRODUCTION

Dianetics was launched in May, 1950 with the publication of the Book 'DIANETICS - THE MODERN SCIENCE OF MENTAL HEALTH' by L. RON HUBBARD. The Standard Dianetics Course is the culmination of 19 years of further experience with the subject, and the completion of its research by L. Ron Hubbard.

The HUBBARD STANDARD DIANETIC COURSE is a completely new course.

Dianetic Auditors in 1950 were able to produce 50% results on cases. This was much higher than those achieved by any other practice. Today, with Standard Dianetics, a trained auditor can achieve 100% standard results.

Study this course well, for on its completion you will be able to perform undreamed-of miracles.

In studying the materials be very very certain you never go past a word you do not fully understand.

The only reason a person gives up study or becomes confused or unable to learn is that he or she has gone past a word or phrase that was not understood. If the material becomes confusing or you can't seem to grasp it there will be a word just earlier that you have not understood. Don't go any further, but go back to BEFORE you got into trouble, find the misunderstood word and get it defined.

Good Hunting!
