CRAMMING SECTION - SERVICE TO TRAINED AUDITORS

The Cramming Section 'teaches students what they have missed'. This includes Trained Auditors who wish to be brought up to date on current technical developments.

A Field or Franchise Auditor wishing to up-date his technical data may do so in the Cramming Section of any Org qualified to teach his level of Training.

The Director of Exams may determine that the Auditor is missing too much data, such as a whole course, to handle in Cramming and route the Auditor to the Tech Division for re-training. Cramming does not teach full Dianetic, Academy or SHSBC courses.

The line of keeping Tech in the area up to date and standard is indeed a Qual hat. It is also a source of steady Qual income.

"New" courses are of course taught in Tech.
