HCO POLICY LETTER OF 12 JUNE 1969

DIANETIC REGISTRATION

Legally and ethically it is all right to send a person to a doctor for a physical examination, but it will cause an ARC break with the doctor to specify what he is to do in the examination.

It is best to say merely: "Would you please do a complete medical examination to include any acute or chronic illness and any effects from past injury or illness."

It should be made clear to the medical doctor who pays investigation will be paid by the bearer.

It should end by saying, "Would you please give a note of your findings to the bearer."

Note that it would be unethical for the medical doctor to treat any curable disease found unless the person examined specifically asked him to treat it, otherwise he would refer the person to his own doctor.

A doctor cannot be asked to supervise a person while he is having auditing because he cannot professionally be asked to join in a non-medical attempt to cure some illness, for if he did he would be subject to discipline, charged with "covering", and if found guilty, struck off the Medical Register.

The org should make their position very clear to the clinic - that they are trying to co-operate with the medical profession and that Scientology is a religion. However, after or in the absence of medical treatment if none is needed, the persons sent will be given Dianetic auditing after such medical examination and treatment, if given, or under medical. A assist done under a physician's care or after his treatment and Dianetics as a religious function of pastoral counselling or Scientology as a religious practice.

If contempt or hostility is met, write a letter of complaint to the medical association and try another doctor or clinic. In such a letter of complaint make it very plain that you are not engaged in physical healing, that you have always tried to co-operate with medicine and that your only quarrel is with psychiatric casualties and their perversion of the medical profession.

If the clinic shows clear cut evidence of the need of an operation, the D of Processing should give the preclear the verdict. If the preclear will not have it, arrange a meeting between the preclear and the doctor and discuss it.

It is possible to engage in Dianetic processing even when a medical verdict is for an operation, but if the preclear will not have it, then undertake Dianetic processing only under the doctor's care and with his consent, and insist upon the preclear being re-examined during processing.

The cost of the examination and any operation is in addition to processing fees and any such charges are paid directly to the clinic by the preclear, the org not taking responsibility for the costs of these.

After any medical treatment, the entire treatment is run as an engram of chain as the first action. Lingering symptoms are also run down to their basics as per Dianetic Auditing Assists given in the Dianetic Course.

Policy is not to engage on auditing sick pcs without medical advice or treatment as required.

Insane pcs are handled in this same fashion as they are mainly physically ill, need rest and no harassment. Insane pcs are a lot of trouble unless one has an institution to hand but institutions cannot be trusted. Until an org has some means or connection by which the insane preclear will not be brutalized, shocked or operated on with brain "operations", it is better to refuse them.

By insane pc is meant one who is subject to highly irrational and destructive behavior. If not, they are regarded as physically ill.

The senile and mentally retarded are also handled as per physically ill pcs as above.

Waivers in all cases are required.

A new clause, "Will not hold the organization or its principles responsible for medical costs or errors" must be included in signing persons up for Dianetics.

Complete files of all such should be kept in Division 6 to show in case of need.

- (a) that the org does not engage in physical healing and
- (b) success stories with full records X-rays etc. for Dianetics.

Where this policy letter is fully in force, earlier policies on healing and the insane are cancelled.

This change of policy is due to (1) our wish to cease to individuate from the other social groups of the society and (2) our refusal to leave the field of mental healing in the hands of public enemies.

This is also part of our campaign to Revitalize Western Society. "A well society is a sane society."
