HCO POLICY LETTER OF 16 JUNE 1969  
SAME TITLE

BOARD OF APPEAL

ALL PROBLEMS CAN BE RESOLVED BY COMMUNICATION.

It's likewise with ethics.

Harsh ethics, injustices, failures to clean up false reports all make the environment unsafe to communicate in.

THE AIM OF JUSTICE IS TRUTH.

Truth is attained through communication of facts.

Therefore an Ethics Officer's primary tool is communication.

Ethics cases can be handled, injustices righted, Third Parties found all through communication.

---

An Ethics Officer makes himself safe to communicate with - always.

---

*Upon request, an Ethics Officer should allow a person to see his own ethics file. It may do much to clean up injustice and false reports.*

*The ethics file may only be reviewed in the presence of the Ethics Officer and those matters found by the person to be false or unjust noted and handled accordingly by the Ethics Officer.*
