FIELD MAILING LISTS
(Amends HCO PL 14 Feb 67 BOOK BUYERS)

As Franchises and Dianetic Counseling Groups can and often do expand to become Orgs, they build up their own C/F's and promote to them.

They do not send in the names on their C/F's to the local Org.

An individual from a Franchise or Dianetic Counseling Group only goes on the mailing list of an Org when they buy something from the Org.

When Franchises and Dianetic Counseling Groups select their PC's and/or students to an Org, that Org then follows the Policies on Selectee Mailings.

Each month Franchises and Counseling Groups must send to the Org under which they come two sets of duplistickers for their whole mailing list in order that their C/F's may receive the Area Magazine and the Auditor Magazine.
