FSM Awards

Hereafter, Awards based on the numbers of FSM Commissions paid as in FSM contests MAY BE PAID ONLY TO SINGLE INDIVIDUALS OR SINGLE ORGS OR FRANCHISES WHICH DID THE ACTUAL SELECTION.

No one may claim an award or bonus or contest prize by reason of multiple franchises or multiple orgs or several individuals.

Example: Joe Blow turns in a claim for prizes based on 39 selections which represent 10 franchises. The claim is not valid. It must show which franchise selected what and that one franchise that turned in the most is the potential winner unless some one else turned in more.

Example: Tom Sikes turns in 4 selections as an entree in the contest. Joe Blow turns in 56. But Blows "56" is made up of selections from 52 FSMs. The most any single FSM selected in that group was 3. Tom Sikes wins the bonus contest.

OTL Eligibility

No OTL is eligible for a contest bonus award by reason of selections. It may select and collect FSM Commissions but is not contest eligible.

Saint Hills

No SH is eligible for contest prizes for selections to AOs. SHs may select and collect commissions but are not eligible for contest prizes.

Scn Central Orgs

The Central Continental Org (where the Continental EC is located) is not eligible for contest prizes. It should select and receive FSM Commissions but is not contest eligible.

Staff members

SO members, AO and SH staffs and the staffs of Central orgs are NOT eligible for bonus awards by reason of FSM selections.

Eligibility

Scn Orgs other than above, individual Franchises, Gung Ho groups, Official Scn groups, staffs of these and individual field FSMs are the only ones eligible for FSM contest bonuses. None of these named may combine their selections as an entree in an award contest.
