Remimeo HCO POLICY LETTER OF 6 DECEMBER 1969
(Clarifies HCO P/L Dec. 7, 1961)

Inter-Org Exchange of Students

Orgs who transfer monies received for Scientology or Dianetic services to another org are doing nothing but GIVING AWAY THEIR INCOME.

Students and preclears having paid for services at one org may receive or continue service elsewhere if he has:-

1. Paid in full for services whether begun or not.
2. Partly paid for services.

The rule is: THE MONEY WAS COLLECTED BY REASON OF GOOD WORK AND PROMOTION AND THEREFORE THE ORG THAT COLLECTED EARNS THE RIGHT TO KEEP IT.

It might first seem unfair to the org delivering the service for which another org has collected the Income, but it should be remembered that the org delivering the service has the benefit of the body in the shop with all that this implies in terms of potential future sales of service to him, his family and friends.

It is a Comm Evable offense for an org staff member to prevent a student from taking a service because funds were paid in at another org.

NO ORG OR FRANCHISE MAY INTENTIONALLY COLLECT MONIES WHICH WOULD NORMALLY BE PAID TO ANOTHER ORG. SUCH MONIES MUST BE FORWARDED IMMEDIATELY TO THE ORG CONCERNED.

NO ORG OR FRANCHISE MAY COLLECT MONEY FOR SERVICES DELIVERED ONLY BY HIGHER ORGS.
