SCIENTOLOGY PRAYER

Below is a prayer for Total Freedom to be delivered at the end of the ceremony of each Sunday Service. It was written by Peter Ginever in November, 1969.

A PRAYER FOR 'TOTAL FREEDOM'

May the author of the Universe enable all men to reach an understanding of their spiritual nature.

May awareness and understanding of life expand, so that all may come to know the author of the Universe.

And may others also reach this understanding which brings Total Freedom.

At this time, we think of those whose liberty is threatened; of those who have suffered imprisonment for their beliefs; of those who are enslaved or martyred, and for all those who are brutalized, trapped or attacked.

We pray that human rights will be preserved so that all people may believe and worship freely, so that freedom will once again be seen in our land.

Freedom from war, and poverty, and want; freedom to be; freedom to do and freedom to have.

Freedom to use and understand Man's potential - a potential that is God given and God-like.

And freedom to achieve that understanding and awareness that is Total Freedom.

May God let it be so.
