HCO POLICY LETTER OF 23 FEBRUARY 1970

ETHICS

QUALITY OF SERVICE

ARC Breaks bring about and restimulate a desire to get even.

An ARC broken person attacks.

Criminals, revolutionaries, great generals are simply dramatising the effects of an ARC Break of long duration.

Madmen seldom attack that which ARC broke them but choose wrong targets.

Any and all attacks suffered by orgs are from ARC broken persons.

Even when such persons were really ARC broken with some other activity, they instantaneously attack us.

Most ARC breaks are caused by by-passed charge. This charge is usually the restimulation of some earlier ARC break not caused by us.

WITHOLDS ARE ONE PRIMARY CAUSE OF BY-PASSED CHARGE.

When persons are poorly processed or poorly trained they can restimulate a great deal of by-passed charge.

When persons are permitted to take higher grades without really attaining lower grades, by-passed charge is inevitable; hence we see refunds, attacks and upsets in orgs and the field.

The true cause of ARC Breaks of long duration which transfer to us is when we permit technical goofs.

ETHICS exists primarily to see that people honestly make their grades and are trained as they should be and that no-one is permitted to prevent good auditing and good training or to enturbulate the org so that it cannot occur and to make sure the org is there to give service in volume.

Ethics is not concerned with "acceptable social behavior" only insofar as it impedes the training or processing of others.

THEREFORE: Accepting for higher levels of processing persons who have not made their lower levels shall be classified as a crime.

Processing persons at higher levels who have not made lower levels shall be classified as a crime.

Training persons at higher levels who have not proven themselves as competent Dianetic auditors shall be classified as a crime.

Admitting a famous person or notable writer to higher level processing who has not fully attained lower level processing shall be classified as a HIGH CRIME. This applies in particular to Power and Clearing Courses.

Administering Power to anyone who has not had Dianetic Triples, Scientology Triples and adequate gains or who needs further auditing or Review shall be deemed a crime.

Permitting an ARC broken person to leave an org unhandled shall be deemed for the last auditor to audit him and for the PES and Director of Success a crime.

Failure to strenuously act to clean up an "ARC broken field" shall be deemed a high crime for the Executive Council.

ALL ETHICS OFFICERS are to regulate their conduct of duty so as to safeguard good auditing and training in the organization and to create a calm atmosphere where these can occur in volume.

This policy letter has first priority and claim on the duties and attention of the Ethics Officer.

In interpreting the above in technical matters, the Ethics Officer should consult the opinion of competent auditors not connected to any charge in progress.

Nothing in this Policy Letter shall prevent Scientology grades before Dianetic Grades.

Nothing in this Policy Letter shall limit the amount of auditing that a person can be given at any one grade.
