Saint Hill Manor, East Grinstead, Sussex

Remimeo HCO POLICY LETTER OF 11 MAY 1970-1  
ADDITION OF 23 SEPTEMBER 1977

Data Series 2-1

FURTHER ILLOGICS

Data Series 2, "Logic", lists the 5 primary points of illogic. There are 3 more points of illogic that evaluators should know well and use.

These are:

ASSUMED "IDENTITIES" ARE NOT  
IDENTICAL

ASSUMED "SIMILARITIES" ARE NOT  
SIMILAR OR SAME CLASS OF THING

ASSUMED "DIFFERENCES" ARE NOT  
DIFFERENT

Knowledge and study of Data Series 1R  
"Anatomy of Thought" and Data Series 2 "Logic"  
will give one an understanding of what these  
outpoints, above, mean and how to recognize and  
use them in evaluation.
