FURTHER CLARIFICATIONS

DCG PROGRAMME

The following points are laid out to better define  
BPL 28 April 1970R "The DCG Programme".

1. GROUP COMMITMENT

It is made a point of emphasis to an Org and Mission setting up a DCG that "Set-up" does not imply any financial or personnel commitment or subsequent control. A group leader is a leader in his own right and in turn he respects the rights of an Org or Mission.

2. SCIENTOLOGY ORG AND MISSION DIANETIC SERVICES

Org and Mission Dianetic (R) services remain open and are to continue. The DCG programme is there to boost Dianetics, not close any services in Orgs or Missions.

3. DCG MATERIAL SUPPLIES

DCGs or field auditors may not remimeo any materials but must purchase these materials from an Org or Mission. With this PL a Mission is granted the right to sell Dianetic materials to DCGs. DCGs may receive membership discounts only, on material purchases. Missions are entitled to remimeo and do as a right receive new HCO PLs and HCOBs up to their level of training from WW. Franchise Office WW is the only authorized distribution point of HCOBs and HCO PLs to the field, save where such are specifically designated as applicable to field personnel. In remimeo, a Mission observes closely, colour flash, copyright, and exact duplication - as alteration is a high crime.

4. GROUP CHAINS

DCGs may not form chains. The rule applies to any Scientology (R) group. The formation of Mission Chains is already covered in policy.

5. TITHES

A DCG does not pay 10% to WW. It may, however, pay a tithe IF IT SO DESIRES. In this case, the DCG is granted

the right to remimeo like Missions and may receive new FLs and HCOBs from WW. Any materials a DCG paying 10% remimeos are for its OWN USE SOLELY and not for sale.
