HCO POLICY LETTER OF 23 June, 1970

TRAINING REQUIREMENTS EASED ADDITION

(Add to HCO PL 13 May, 1970 "Training Requirements Eased")

HCO PL 13 May, 1970 gives the training requirements for various levels.

The NEW HDC REQUIREMENTS are as stated:

One time through Zero-rate HCO Bs, including the tapes, books and drills.

One time through Star-rate HCO Bs, including key portions of the tapes, books and all drills.

The above paragraph means that all the material on the checksheet is Star-rated, all the drills are Star-rated and the key portions of the books are Star-rated.

This also applies to the VIII Course and C/S Course and Interneship materials.

The older Star-rate designations do not now apply. All are first Zero and then ALL are Star-rate.

A 100% pass on Exam is required.

Certificates granted where these requirements were not met are subject to cancellation.

Lt. Cmdr. Joan Robertson
