EXPANDED LOWER GRADES

CHART OF ABILITIES GAINED AND INABILITIES LOST

This chart is used by the examiner when a pc is sent for "Declare?" on a grade.

The examiner first checks the pc's auditing folder to see that every process of a Grade being attested to has been run to true End Phenomena for each process.

He then does a meter check for false completion of the Grade being attested.

The pc then makes a statement to the examiner which indicates that the pc actually made the end result of a Grade.

The examiner gets the pc to state the ability he has attained: the exact wording of flows 1, 2 and 3 of the Grade as given below. The pc may give the exact meaning in his own words, expressed as an ability gained or an inability lost for that Grade.
