CLASS VIII CONTRACTS

Any Class VIII ever trained at Org expense is considered to have begun a 5 year contract with that org from the date of his completion of course.

Freeloader Policy is applied on this basis.

Suspension of Certs includes suspension of the right to Franchise. There is no such thing as a Franchise Holder who is also a Freeloader, unless substantial and regular repayment is being made.

The terminal for resolution of conflicts arising from this Policy is the OTL nearest the org.

A time limit of 3 months (until 20 October, 1970) is established during which time conflicts with the above are to be resolved. Terms of the above may not be waived by OTL. The limited adjustments that can be made are in terms of when.

A full freeloader list based on this Policy will be published on or about 21 October, 1970.

The purpose of this Policy is protection of those staff who worked hard so that other staff might be trained and thus help the Org.

There are no exceptions to the above.
