CLASS VIII CONTRACTS

Any Class VIII who *trains* at Org expense is considered to have begun a 5 year contract with that Org from the date of his completion of Course.

Freeloader Policy is applied on this basis.

Suspension of Certs includes suspension of the right to Franchise. There is no such thing as a Franchise Holder who is also a Freeloader, unless substantial and regular repayment is being made.

The terminal for resolution of conflict arising from this Policy is the FOLO nearest the Org.

This Policy Letter is NOT retroactive from its original issue of 22 July 1970. Anyone prior to that time who signed a 2 1/2 year contract and was given training on the basis of his existing contract and who fulfilled that contract is NOT A FREELoader on this basis.

The purpose of this Policy is protection of those staff who *work* hard so that other staff might be trained and thus help the Org.

There are no exceptions to the above.
