HCO POLICY LETTER OF 8 AUGUST 1970

Data Series No. 15

WRONG TARGET

There is an additional specific out-point.

It is WRONG TARGET.

This means in effect AN INCORRECT SELECTION OF AN OBJECTIVE TO ATTEMPT OR ATTACK.

Example: Josie Ann has been sitting in the house reading. Her brother Oscar has been playing ball in the yard. A window breaks. Josie Ann's mother rushes into the room, sees Josie Ann and the ball on the floor, spanks Josie Ann.

This out-point contains the element, amongst other things of injustice.

There is another version of this:

Example: A firm has its premises flooded. The manager promptly insists on buying fire insurance.

Example: The people of Yangville are starving due to food scarcity in the land. The premier borrows 65 million pounds to build a new capital and palace.

Example: The government is under attack and riot and civil disorder spreads. The government officials campaign to put down all "rightists" for trying to establish law and order.

Example: A man is beaten and robbed on the main street of a town. The police demand to know why he was there and put him in jail for a long period of investigation.

Example: The Multi-billion dollar drug cartels push out 65 tons of habit forming hard drugs. A government campaigns against cigarettes.

Example: A boy wants to be an accountant. His family forces him to join the army as a career.

It is noted that the very insane often attack anyone who seeks to help them.

This out-point is very fundamental as an illogic and is very useful.
