STUDENT AUDITING REQUIREMENTS  
FOR ACADEMIES AND ST HILLS

(This remedies the student auditing requirements for Academy Levels as given on the June and July 1970 checksheets for Levels 0 to IV only.)

Also revises paragraphs 6 and 7 only of HCO PL 8 June 1970 "Student Auditing" which gives student auditing requirements for Classification.)

THE INTENTION OF AUDITING REQUIREMENTS IS TO MAKE BETTER AUDITORS.

Auditing requirements for Classification on 0 to IV Academy Levels are herewith modified as follows:

The Level 0 to IV Auditing requirements are that the student successfully audit a minimum of 15 hours on the processes of each level plus achieve a minimum of one Grade Release of the level.

By policy extant since 1956 students obtain their own pos or audit fellow students.

This does not alter the auditing requirements for the SHSBC Class V checksheet, HCO PL 7 July, 1970 as stated thereon.

The only exception is that students may audit (for honours) in the HCC which counts on auditing requirements.

This policy is not to be used to stop.
