POTENTIAL TROUBLE SOURCE CHECKSHEET

This checksheet must be included in the hats of all HCO Area Sec's, Dir I&R, Ethics officers, Hats Officer and Internal Security in the Guardian Office.

Additionally, this checksheet must be fully checked out on anyone who has been found to be reasonable about Troublesome Sources.

A continued reasonableness about Potential Trouble Sources after training and retraining must be taken as an indication that that person is a security risk and must be handed to HCO for a thorough investigation.

This checksheet is studied once through zero-rate, once through star-rate. The third column is for retreat.
