ISSUE II-1
ADDITION OF 8 JULY 1975

DEFINITION

(Reference: HCO PL 11 May 71 II
PR Series 6, OPINION LEADERS.)

On page 8, paragraph 3, line 7 of PR Series 6, the term "G-2" is used. Its definition, as given on page 115 of Abbreviations Dictionary, International Edition, by Ralph de Sola, published by Constable -- London, is as follows:

"G-2: military intelligence section of
army or marine corps; military intelligence
officer."

Note that the original copy of this PL issued from Flag gave this term as "G-Z", which was a typographical error. Copies and stencils should be corrected so that this does not cause confusion in the future.
