MISSION ISSUES

In the past year, Scientology has greatly expanded into the field. Scientology Missions have been one of the major spearheads of this expansion.

To reinforce this successful activity, we will see that up-stat Missions are kept well-informed on recent Policy and Bulletin releases.

With these materials and the availability of higher training in the local Orgs, Missions will continue to expand and boom Scientology.

So those Missions that are up-stat and are making regular and accurate payments of 10% become eligible to receive HCOBs and Policy Letters.

However all HCOBs and Policy Letters are sent entirely at the discretion of the Founder and Distribution Aide.

As a special service, F/O W/ will air mail copies of these awarded Policies and Bulletins at the usual rate to cover the cost of postage and handling.
