Saint Hill Manor, East Grinstead, Sussex
HCO POLICY LETTER OF 30 JULY, 1971
ISSUE II

Remimeo

FLAG MISSIONS IN THE FIELD

1. Flag Missions are fired and operated only by Flag.
2. Flag Missions, therefore, represent 'SOURCE'. They are designed to help the area they enter and to carry out Command Intention for that area.
3. Thus, Flag Missions are to be rendered all possible help and assistance to expedite and assure the success of the Mission. They may not be regarded as a hindrance.
4. The Flag Missionaire I/C, being fully accountable for the success and total functioning of the mission has the Authority necessary to require and request due services and facilities which may NOT -- under penalty of Ethics action from Flag -- be denied.
5. Flag Missionaires are -- on their part -- to cooperate fully with all SO and Scientology Orgs and Executives to their mutual benefit and understanding.
