HCO POLICY LETTER OF 11 AUGUST 1971
ISSUE I

BASIC HAT PACK

The Basic Staff Hat is OEC Volume No. 0 available from
Pubs Org DK.

Every staff member needs one of these.

When every staff member of one org bought one, the stats
promptly went up through the roof.

It tells how an org operates and gives the basic
information necessary to a staff member to operate properly as
one.

The whole set should be owned by Execs. And the Divisional
Book as well as Vol 0 by members of any one division.

An heroic job of compilation and publishing was done by
Ken Delderfiled, John Sanborn and others. It took years of
work. And they did a beautiful job of making these big books.

They contain all the policy ever issued sorted by
divisions, fully indexed.

Just the basic staff hat in every staff members hands
and available for reference made the first org boom.

So what will the whole set do?
