HCO POLICY LETTER OF 11 AUGUST 1971

Org Series 29

INFINITE EXPANSION

There is no reason whatever to ever contract or reduce the size of an org except covert destruction.

In theory there is no limit to the size of an org.

The 1967 Org Bd is capable of expanding to 200,000 staff members!

For our purposes, there is no real limit to expansion.

So long as property purchase does not commit future income dangerously and so long as HASs keep the Admin Staff in a ratio of two to one Technical staff, there is no limit to expansion.

So long as Cash bills is kept more cash than bills there is no limit to expansion.

So long as the staff produces what their posts call for there is no limit to expansion.

So long as you DELIVER in Quality what you SELL there is no limit to expansion.

So long as you keep standard on Admin and keep standard on Tech, there is no limit to expansion.

So don't get frightened, don't fire people, don't cut back. Understand the above and the whole of this Policy Letter. And there is no limit to expansion.

So EXPAND.
