STATISTIC OF THE BODY REGISTRAR

(Amends HCO PL 14 July 70 "Registrar Statistic"
and amends HCO PL 11 March 71 "Registrar
Invoicing Line".)

Effective Upon Receipt

The Body Registrar has two areas of responsibility:

1. Gross Income of the Org
2. Getting individuals signed up and paid in full for training and/or processing and actually taking the service.

The statistic of the Body Registrar is therefore a dual stat:

- a. Gross Income of the Org
- b. Paid Starts

"Paid" means money received in full for the service.

"Start" means started the service. Processing = On HGC Lines. Training = Started the Course.

Each service paid for and started is counted as one Paid Start. If a person signs up and pays for a number of services, say Academy Levels 0 - IV, he is counted as one Paid Start as each Academy Level is taken.

Gross Income of the Org is also the stat of Department 6, Division 2.
