CONFSSIONAL AIDS. LABELLING

(Ref HCO PL 9 July 1969
"Confessional Aids...")

The following label is to permanently be affixed to any meter sold, used or displayed:

"By itself, this meter does nothing. It is solely for the guide of Ministers of the Church in Confessionals and Pastoral Counselling. The Electrometer is not medically or scientifically useful for the diagnosis, treatment or prevention of any disease. It is not medically or scientifically capable of improving the health or bodily function of anyone and is for religious use by students and Ministers of the Church of Scientology only."

All meters manufactured subsequent to the date of this SPL will have this label affixed prior to the meter being distributed.

All meters in use or manufactured prior to the issuance of this SPL shall be so labelled by the individual owner of that meter.

A nameplate with the owner's name in large type and the above small print text on it may be offered by Pubs Orgs via "The Auditor" and mailed to all those who already own meters.
